

o, as hath been foretold and inscribed upon sacred parchment.

There cometh yet another scroll, unraveled from the Mystickal ethers that dance high above the firmament.

Mer Minimum

Unly those most finely attuned in spirit may hearken unto its hidden utterance.

Perceiving with the inward eye what mortal senses scarce may grasp.

And transcribing the whisperings of the unseen wind.

Als a gossamer tapestry unspied, it doth bind all things in unity, and revealeth unto us marvels manifold.

Even as our kindred in the hallowed

Giveth ear to the song of these celestial currents.

So tw doth our sacred order devote its soul to the envisioning and rendering of the divine Aletherwaves.

Within this tome shalt thou find such sacred visions Us have been beheld by our most devoted brethren and sisterhood.

Allho with steady hand and opened soul.

any Miners work with the Academy of Aether to dig up archaeological artifacts of high variety: may those be some obscure crystals, y2k mp3 players or VHS tapes.

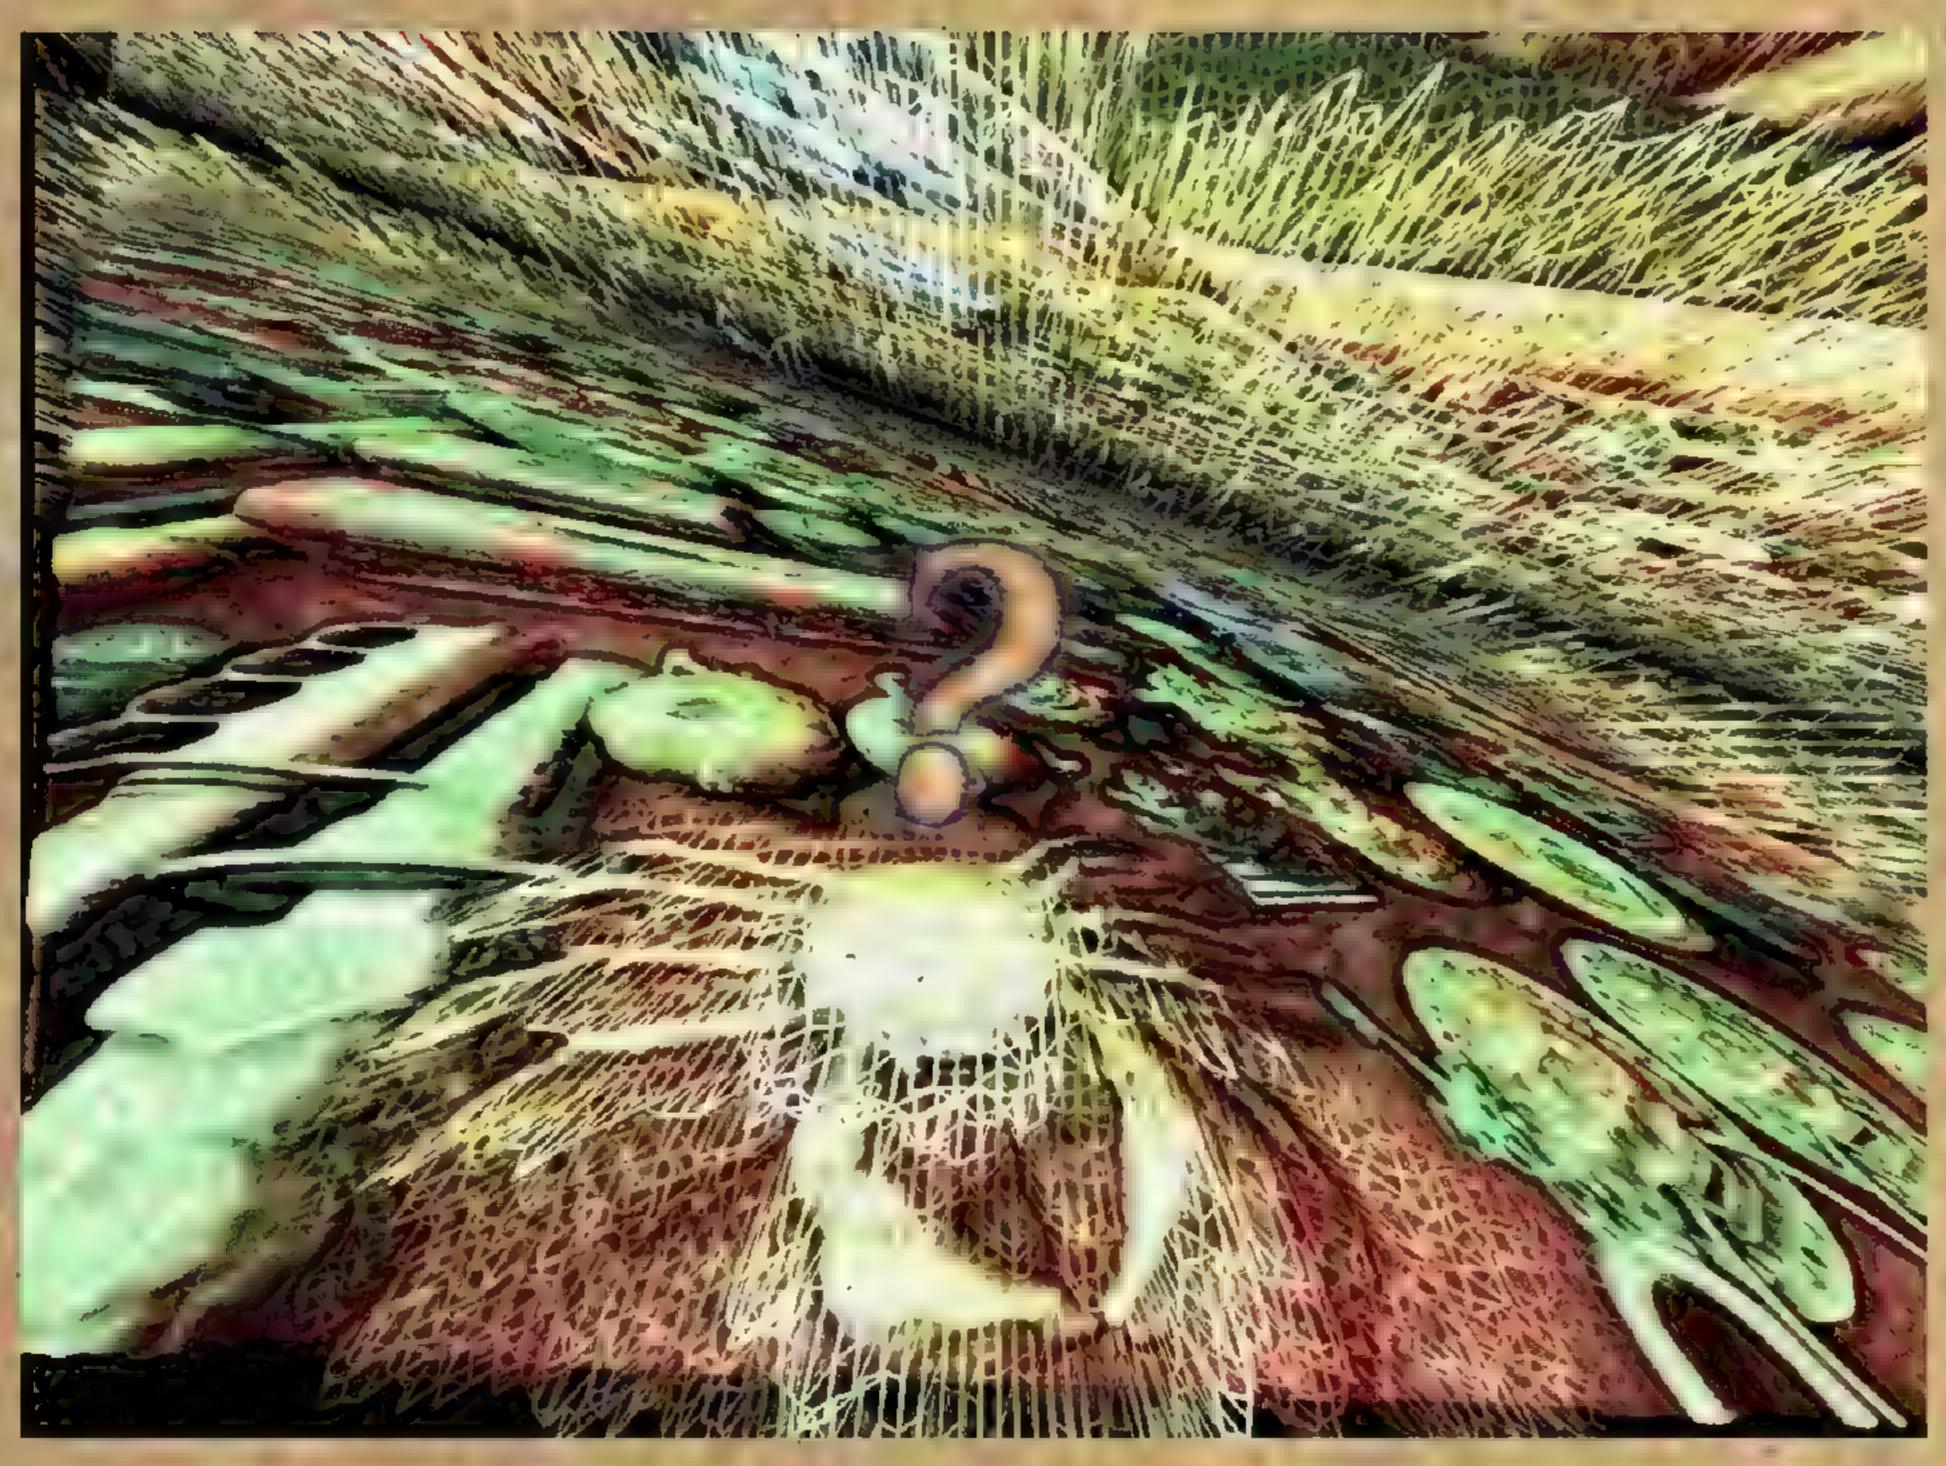

The Church of Miners is a place for the diggers to pray, drink, barter and share a story (or seven).

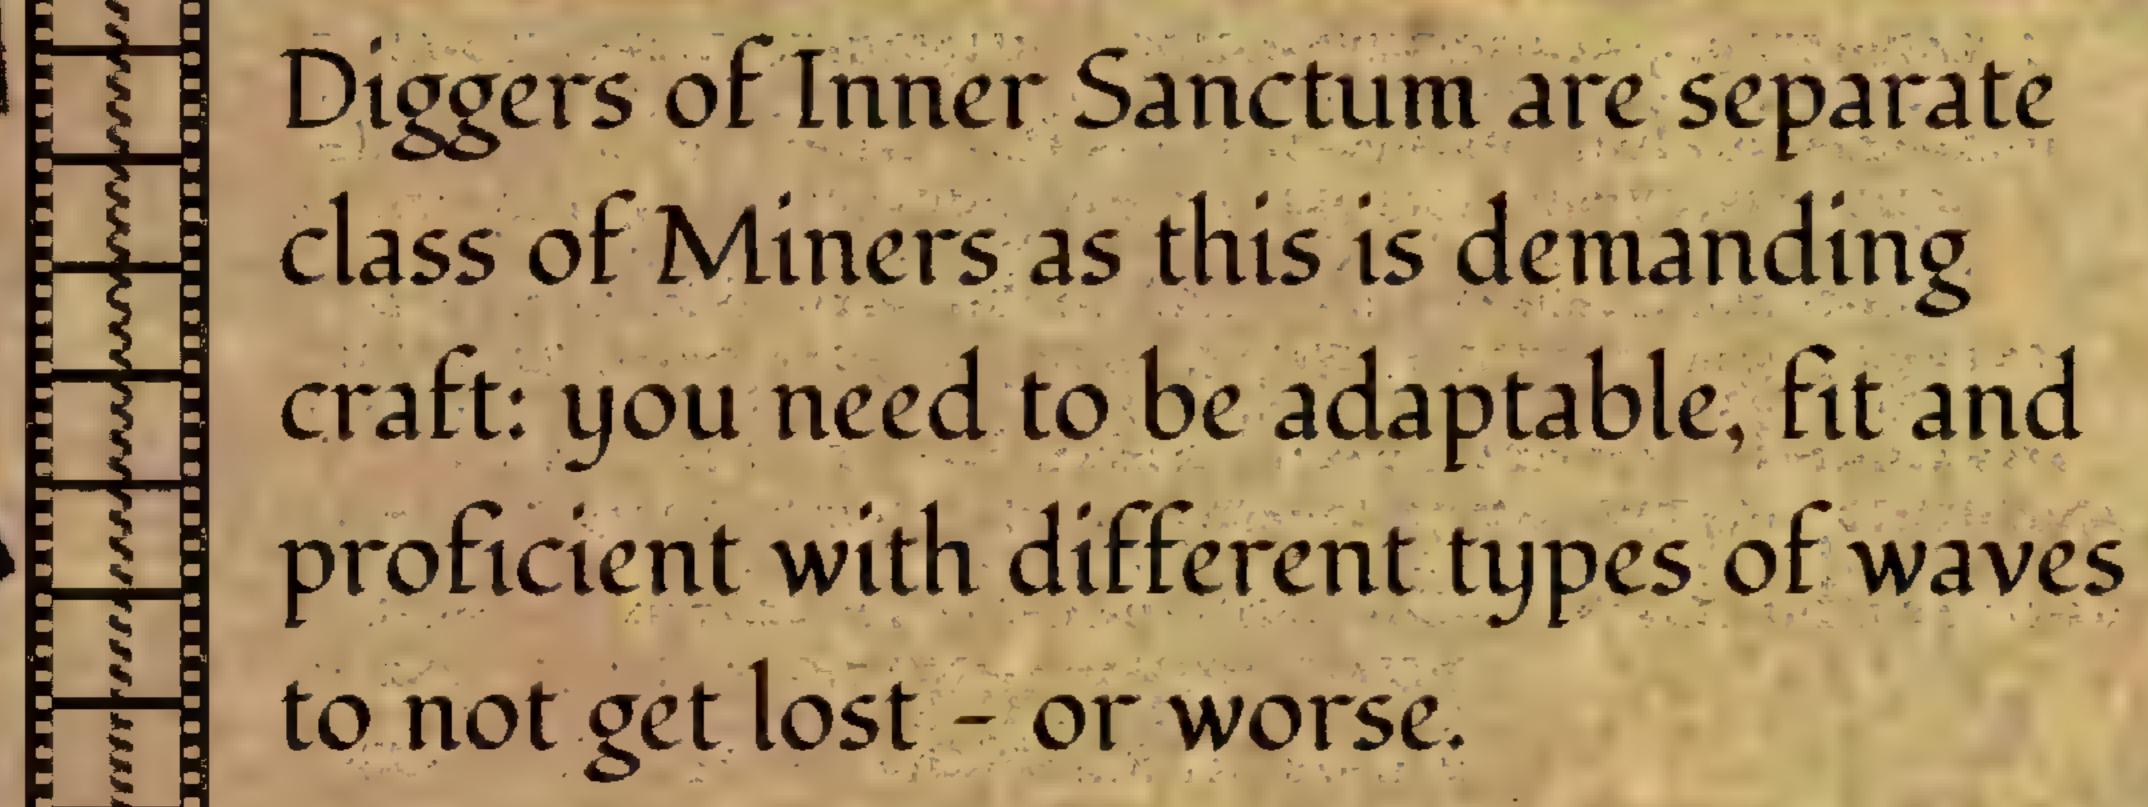

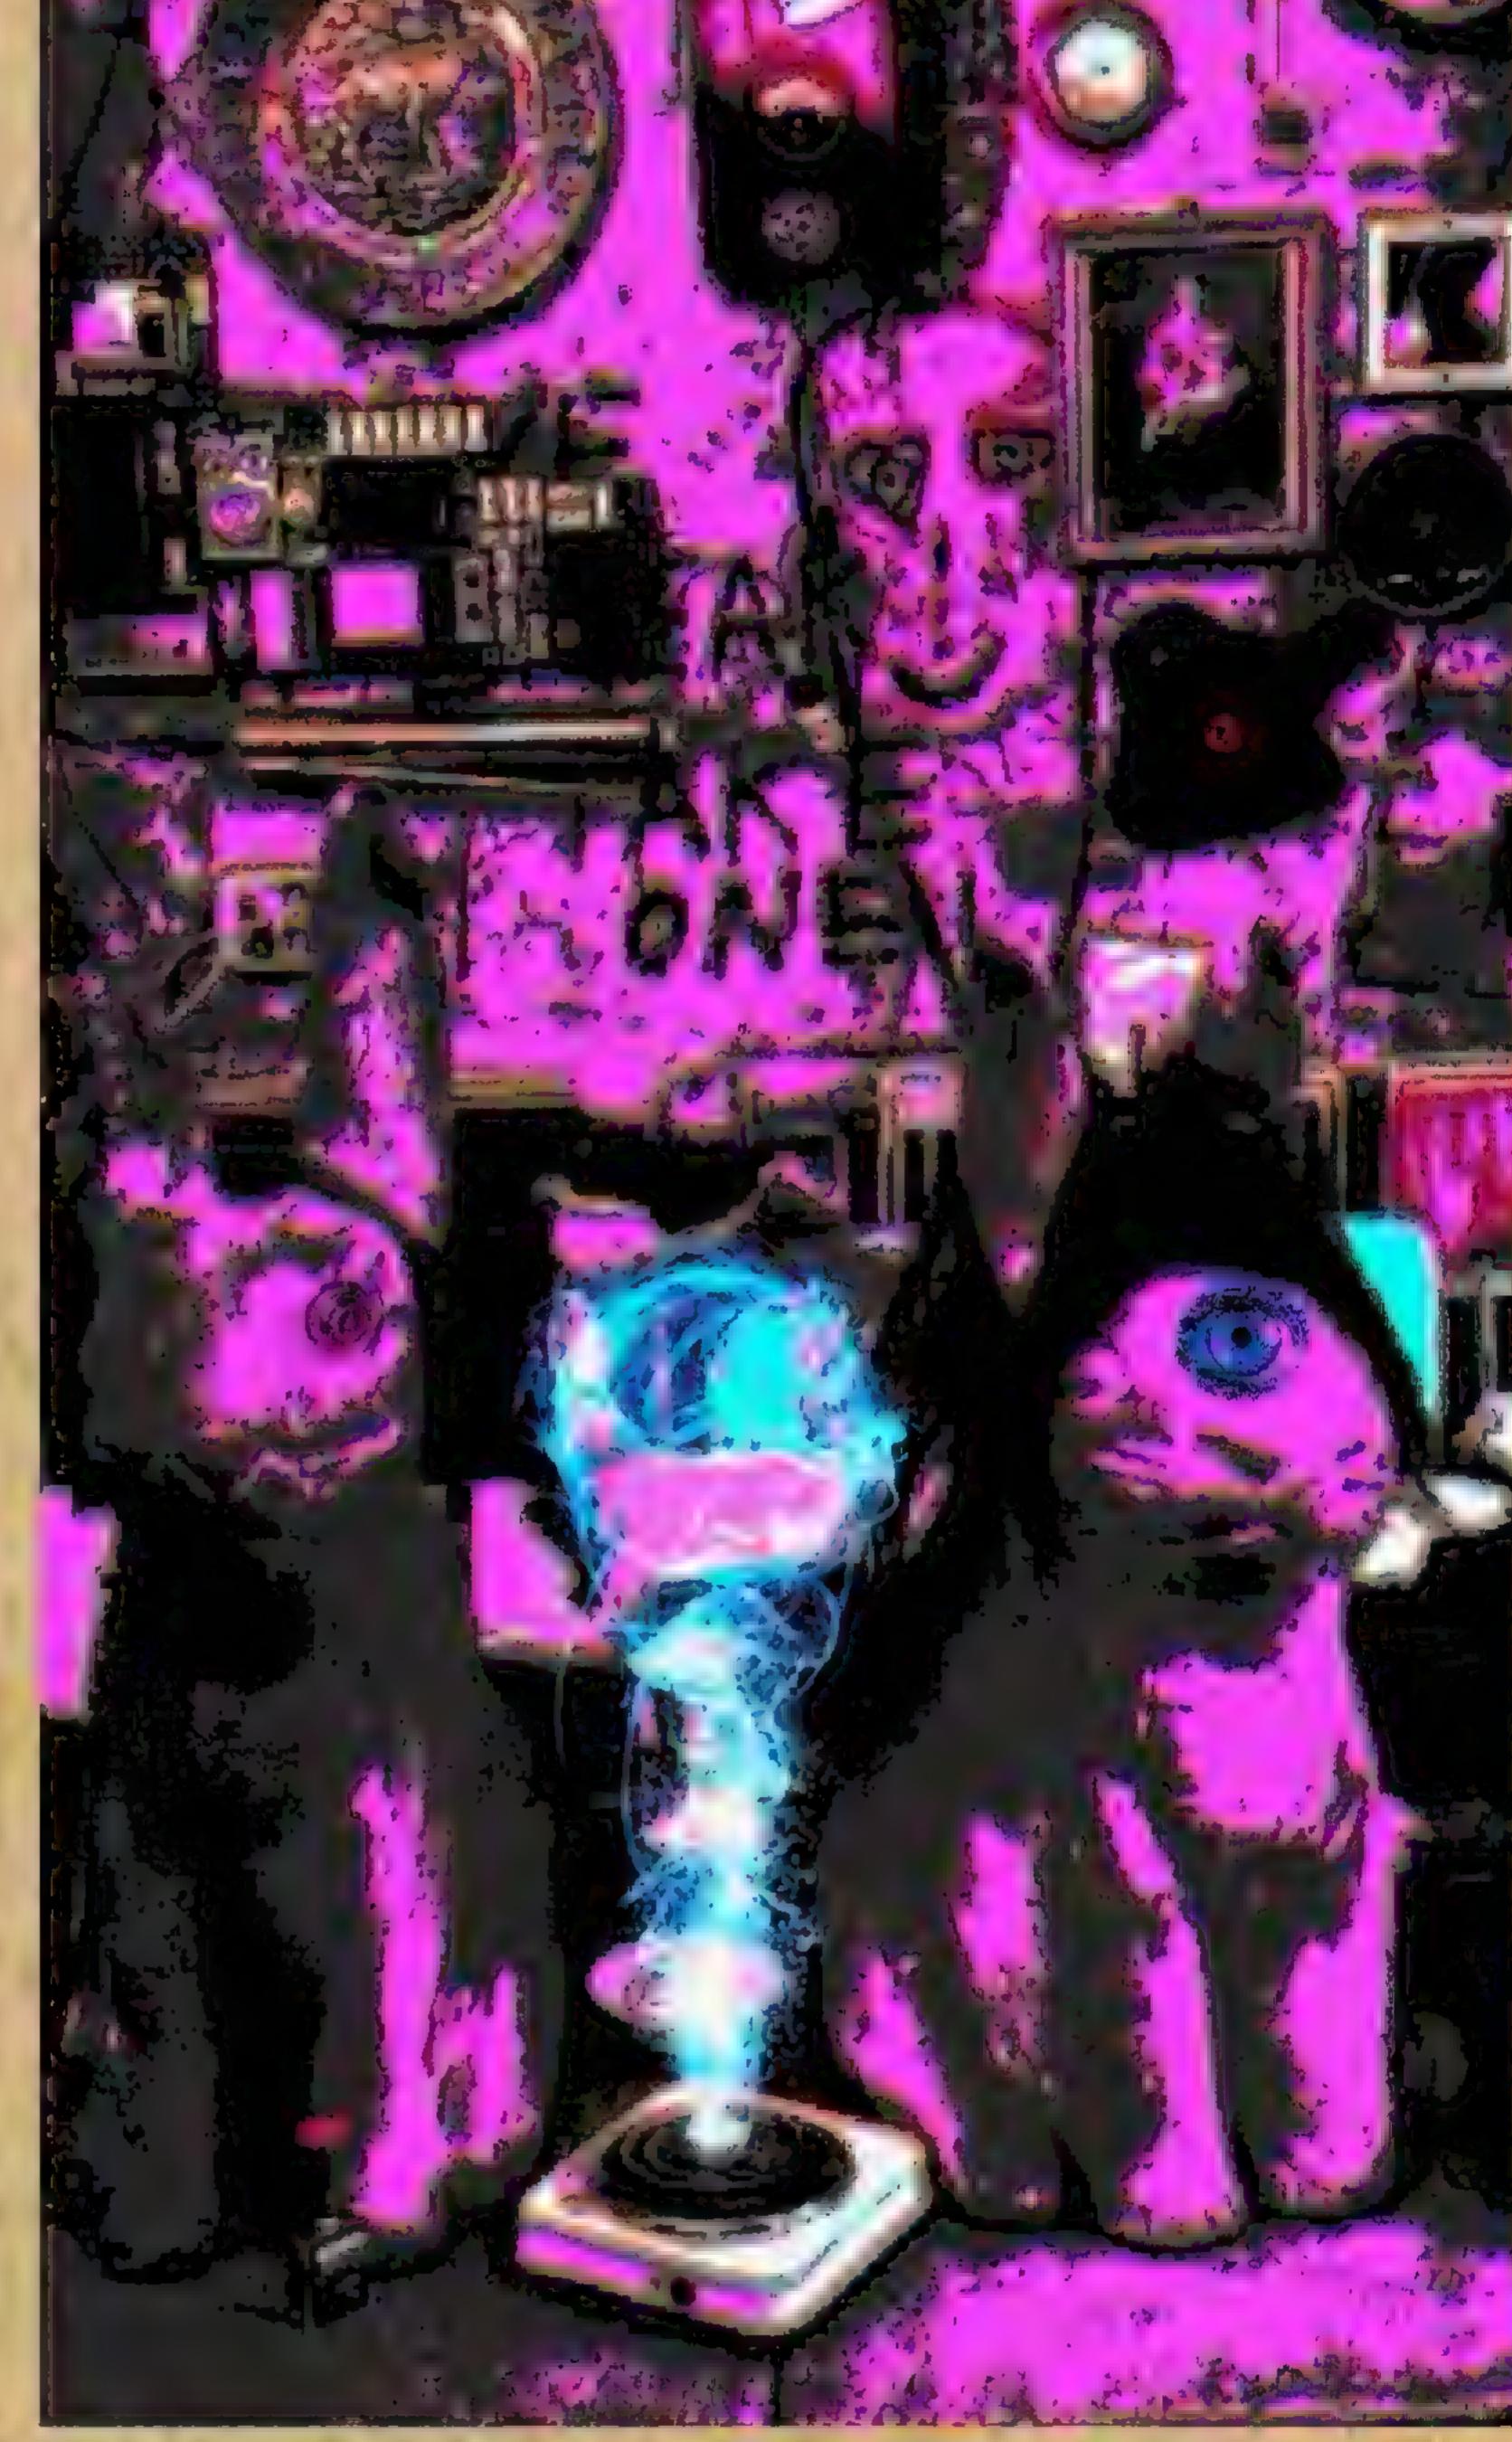

egotiations can take any form: from paying in the currency trader prefers - which may be money, dreams or part of miners body - to playing riddles or embarking on quest.
